

VINA GRACE SADIA

PHP / DevOps Engineer

Building quality codes
driven by passion.

I aim to always learn new things
and conquer new challenges.
I make sure to try and empower
the people I work with.

One of my goal for the future is to
help improve the diversity
around the tech industry.

🎓 B.S. Information Technology
University of San Jose - Recoletos
2010 - 2014
